

### Chilean Firm of the Year Award

We are pleased to announce that **Chambers Latin America** has given Carey y Cia., the Chilean Firm of the Year Award. This is the first time a Chilean law firm is recognized with this honor.

According to Chambers & Partners, Carey y Cia., "*Chile's biggest firm continues to dominate the market in multiple practice areas, offering not just quantity but also the very highest quality*".

As you may know, Carey y Cia., recently finished the integration to its IP & IT practice of Estudio Harnecker and that is how HarneckerCarey was born.

The new team counts with 14 specialized lawyers in Intellectual Property, 9 patent technical experts and 24 litigators. Through them, 5.400 patents are under prosecution and 25.000 registered trademarks, constantly watched.

We are very proud with this honor and we would like to share it with our clients and friends.
